Dusan - My wife Stephanie and I just. Want to thank you for everything. Last night in particular was really a lot of fun. We left early this morning and are now on the train to Prague, so we did not get a chance to say good bye and thank you in person.

Anyway- It was a pleasure to participate and thanks again

Dear Dusan and Peter:

I'm finally back to work in Milwaukee. I want to thank you on behalf of all the members of the AMR Club for the wonderful hospitality that you showed us in Bratislava. I feel that the meeting was a great success and I hope that the local pathologists were not disappointed with the lectures and the cases presented. The hotel was beautiful, and your city is also very beautiful. You are very fortunate to live in such a beautiful place. We all greatly enjoyed the social program you prepared, the tours, and the meals. It will be an unforgettable experience for all of us. The meeting was also flawlessly organized, much better than in many places here in the USA.

I also want to thank you on a personal level for your hospitality to my family, my wife and my children.

Let's stay in touch and I hope to hear from you again soon.

Best regards and kind wishes,

Saul.
